- Communication
- Self-Motivation
- Adaptability
- Relationship Building
- Problem-Solving
- Team work

LANGUAGES

- Nepali
- English
- Hindi

NIKSON SHRESTHA

PROFILE

Front-End Developer with 2+ years of experience building responsive and interactive web applications using React.js. Skilled in translating UI/UX designs into reusable components, managing state with Redux and Hooks, and integrating RESTful APIs. Strong team collaborator with a focus on performance optimization, code quality, and modern front-end best practices.

WORK EXPERIENCE

Front-End Developer

IT Himalaya

APR 2023 - MAY 2025

- Built and maintained responsive, high-performance web applications using React.js, Tailwind CSS, ensuring cross-browser compatibility and mobile responsiveness.
- Translated complex UI/UX wireframes into reusable React components, improving code modularity and development speed.
- Managed application state effectively using React Hooks and Redux, enhancing maintainability and user experience across dynamic features.
- Integrated RESTful APIs with Axios, implementing robust asynchronous data handling and error management.
- Collaborated with cross-functional teams and participated in code reviews, following modern front-end best practices and version control with Git and Webpack.

Frontend Development internship

IT Himalaya

FEB 2023 - APR 2023

- Developed responsive web pages using HTML, CSS, JavaScript, and React.js.
- Collaborated with designers to implement user-friendly UI based on Figma prototypes.
- Integrated APIs and managed dynamic data rendering for interactive features.
- Debugged and optimized code for performance, accessibility, and cross-browser compatibility.
